Call to Order

Welcome by the Chair. Because the House was still in session, the meeting was called to order by Vice-Chair O'Donnell at 12:07 p.m. in Room 118-N of the Statehouse. Committee members present:

Senator Michael O'Donnell, Vice-Chair
Senator Anthony Hensley
Senator Laura Kelly
Senator Jeff Longbine
Senator Julia Lynn

Consideration of Audit Topics

First-time audit requests. Justin Stowe, Deputy Post Auditor, reviewed for the committee two first-time requests. The chair recognized the requestors: Senator Carolyn McGinn spoke in support of her request, dealing with weights and measures price verification, and Representative Gail Finney spoke in favor of her request related to seized and forfeited assets. Both requestors provided written testimony or exhibits related to their requests.

Due to the lack of a quorum, action on the audit requests was deferred until the April meeting of the committee.

Presentation of Staff Audits

K-12 Education: Efficiency Audit of the Prairie Hills School District. This audit was presented by Dan Bryan, Principal Auditor.

Todd Evans, Superintendent, Prairie Hills School District, and Ed Reznicek, Board President, were present to answer questions.

Due to lack of a quorum, no action was taken to accept the audit. However, under committee rules the report became a public document. All legislators will receive the audit highlights document and full copies of the audit will be distributed to the chairs, vice-chairs, and ranking minority members of the following committees:

House Committees

- Education
- Education Budget
