Salary, Compensation, and Allowance Comparison Proposal

Justin Stowe briefed attendees about the salary study included in a proviso in the 2019 Conference Committee report on Senate Bill 25. The briefing included the proviso language and the division's proposed work to address the requirement. Because Legislative Post Audit is not independent to audit the legislative branch, this comparison will be conducted as a study and will not be issued as an audit conforming to Generally Accepted Government Auditing Standards.

The committee deferred action on the proposed study until the July, 2019 meeting.

Adjournment. The meeting adjourned at 1:16 p.m.
