Subject: State Boards, Commissions and Authorities

Gentlemen:

In an effort to identify all state boards and authorities and to determine which state agency was responsible for funding the operations of such boards, commissions and authorities, the enclosed in-house study was made.

Part I gives the name of the agency and its related boards, commissions and authorities.

Part II lists the organizations which are not funded.

Part III shows the organizations which are funded through state agencies responsible for the appointment of board/commission/authority/clinical teams.

The study will be used in the development of financial audit programs for state agencies.
