Sen. Dinah Sykes, Ranking Minority	Rep. John Barker

Legislative Post Audit Staff who called in:

Justin Stowe, Post Auditor

Justin Stowe, Post Auditor went over teleconference protocols with the members. He explained this meeting is being conducted in accordance with the Kansas Open Meetings Act and K.A.R. 16-20-1, which relates to compliance with the Kansas Open Meetings Act during an emergency declaration.

KPERS Performance Audit Requests

Chris Clarke, Deputy Post Auditor discussed state law (K.S.A. 46-1136) that requires that we do a performance audit of KPERS once every three years. The last audit we did of KPERS to meet this requirement was in 2018. Audit requests made by legislators during the session are considered by the committee at its Spring Meeting. However, because this is a statutorily required audit (not a legislator request) and the need for audit topics because of COVID-19 restraints, the Committee has agreed to select a KPERS topic before the Spring meeting.
