**Performance Audits and Evaluations**

**Groundwater Management Districts** – Heidi Zimmerman, Principal Auditor, presented findings from the audit and answered questions from the committee.

**Election Security, Part 1** – Andy Brienzo, Principal Auditor, presented the findings from the audit and answered questions from the committee.

Both audits will be distributed to all legislators.

**Consent Calendar**

Kristen Rottinghaus, Deputy Post Auditor, reviewed the consent calendar. The consent calendar included approval of the January 25 meeting minutes, acceptance of the completed performance audits presented at today's meeting, and consideration of a limited-scope audit proposal of the African American Affairs Commission. There were no objections to the meeting minutes or completed performance audits, so those items were approved.

Senator Corson made a motion to remove the limited-scope audit from the list of preliminarily approved audits on the consent calendar and to instead treat it as a performance audit for the committee to consider at its spring meeting. Senator Ware seconded the motion. The motion failed on

a 5-4 vote, with one member not voting. Therefore, the limited-scope audit was approved.

### **Additional Business**

**Date of next meeting** – Chris Clarke, Post Auditor, outlined the audit schedule, including audits LPA will be releasing at upcoming meetings and the audits LPA will begin soon. She said she will work with the chair to schedule the next meeting for March 20 or March 22. The committee will hold its spring meeting on April 25.

### **Adjournment**

The meeting adjourned at 1:16 p.m.
